## Letter of Recommendation

---

Dear Admissions Committee,

I am writing to recommend Md. Shanto Mia for admission to the Bachelor of Business Administration program at the University of South Wales. I have had the pleasure of knowing Md. Shanto Mia as his professor in the Business Administration program at the National University of Bangladesh for the past three years.

During that time, Md. Shanto Mia has consistently demonstrated his academic excellence, work ethic, and dedication to his studies. He is a highly intelligent and motivated student with a deep understanding of business principles and theories. He is also a critical thinker and problem solver who is able to apply what he has learned in the classroom to real-world situations.

In addition to his academic achievements, Md. Shanto Mia is also a highly involved and engaged student outside of the classroom. He is the president of the Business Student Association and is actively involved in several other extracurricular activities. He is also a volunteer at a local business incubator, where he helps aspiring entrepreneurs to develop their businesses.

Md. Shanto Mia is a well-rounded student with a strong academic record and a commitment to extracurricular activities. I am confident that he would be a valuable asset to the BBA program at the University of South Wales. I highly recommend him for admission to your program.

Best regards,
